7. Planning Matters
  - 7.1 Planning Applications
    - 7.1.1 PA16/00259/B – Port St Mary Commissioners for alterations, widening of roads, creation of additional parking bays and resurfacing works at The Paddocks and Barna Beg.

7.1.2 PA16/00281/B – Central Pacific Services Ltd for the erection of two dwellings with on-site parking at Garage & Plot, Gellings Avenue, PSM.

## 7.2 Planning Approvals

7.2.1 PA16/00037/B – Mr F K Smith for the installation of replacement shop windows and door at Chantilly Lace, Bay View Road, PSM. No non standard conditions to note.

7.2.2 PA15/01388/B – Miss F Perren for the conversion of a two storey workshop building to provide a first floor apartment and ground floor garage at the Workshop, Rear of 2 Victoria Road, PSM. Conditions to note:

1. Obscure glazing (Pilkington level 5 or equivalent) shall be installed in the south-eastern elevation first floor lounge window and shall be retained as such thereafter. Reason: To preserve the amenities of the occupants of the adjacent dwelling Nr 2 Victoria Road.

2. The development hereby approved shall not be occupied until the garage works have been completed to provide the required parking for the occupant/s of the apartment in accordance with the approved plans. Such areas shall not be used for any purpose other than the parking of vehicles associated with the development and shall remain free of obstruction for such use at all times. Reason: To ensure the sufficient provision is made for off-street parking in the interests of highway safety.

7.2.3 PA16/00115/B – Department of Home Affairs for the Conversion of station to a fire and rescue station with erection of a single storey extension to side elevation, provision of additional car parking, installation of an emergency generator to rear of building and access alterations at the Ambulance Station, Southlands, Castletown Road, Port St Mary. Conditions to note:

1. All planting, seeding or turfing comprised in the approved details of landscaping must be carried out in the first planting and seeding seasons following the completion of the development or the occupation of the dwellings, whichever is the sooner. Any trees or plants which within a period of five years from the completion of the development die, are removed, or become seriously damaged or diseased must be replaced in the next planting season with others of a similar size and species. Reason: the landscaping of

the site is an integral part of the scheme and must be implemented as approved.

2. Prior to the occupation of the extension the car parking and manoeuvring areas shall be provided and remain free from obstruction thereafter. Reason: To ensure that adequate car parking is provided in the interest of highway safety.

3. Notwithstanding the planting shown to be introduced at the front of the site, there must be shrubs planted at the southern end of the site in accordance with a plan to be submitted prior to the commencement of works. Reason: the trees shown on the approved plans are unlikely to survive given the limited soil area available to them.
