

FREEDOM OF INFORMATION REQUEST RECEIVED 15/02/2018

1. Please supply the business case for the purchase of the Manxonia Building.
2. What impact has the purchase made on the Authority's financial position – and did it contribute to the need to increase the rates by 5.2%?

REPLY

Manxonia House Business Case was supplied.

Manxonia House was purchased at a cost of £191,322.28, this was funded by Reserves held by Port St Mary Commissioners.

The purchase of Manxonia House did not contribute to the increase in rates.
