FREEDOM OF INFORMATION REQUEST IM401408I

"Can you tell me how much it costs to maintain the croquet lawn at PSM. How many play and how much income comes from this facility also who runs it."

Response emailed to requester on 4th May 2022:

The croquet lawn is a public amenity, it is not rented out with an income, it is run as open public space as are the tennis courts.

The grass is cut along with the grass at Kallow Point and the surrounding areas, it is part of the regular cutting regime and therefore we are unable to provide a cost for this area.

Should any further information be required, please do not hesitate to contact me.

Kind regards

Hayley Fargher, Clerk
